Stephen's Pick for November

SANS Pen Test Hackfest
TRAINING EVENT AND SUMMIT
www.sans.org/event/pen-test-hack-fest-2013

I invite you to a brand new, exciting event this **November 7-14**. SANS Pen Test Hackfest Training Event and Summit is an ideal way to take your penetration testing and vulnerability assessment skills to an entirely new level. Featuring top-rated, industry-leading experts sharing their best tips and advice, this must-attend event is focused on building your skills in providing super high-value in your work. Other hacker and pen test conferences cover interesting hacks, but only the SANS Pen Test Hackfest is focused on imparting skills you can directly apply to your next project.

With two days of in-depth presentations followed by your choice of SANS top-rated penetration testing courses, the SANS Pen Test Hackfest Training Event and Summit is the place to be in November in Washington DC. Choose from the following courses:

SEC642: Advanced Web App Penetration Testing and Ethical Hacking

SEC560: Network Penetration Testing and Ethical Hacking

SEC575: Mobile Device Security and Ethical Hacking

SEC660: Advanced Penetration Testing, Exploits, and Ethical Hacking

Pen Test Hackfest Summit

As an added benefit, we'll also run an extended **NetWars Tournament** during the evenings at the event! These sessions will give you more time than ever with SANS awesome NetWars challenge series to even further build your skills in a fun, interactive, hands-on fashion. We look forward to seeing you in there!
